# DICZFALUSY SYMPOSIUM ON REPRODUCTIVE HEALTH 14 November 2011, Szeged, Hungary

# P | R | O | G | R | A | M

VENUE:

RESIDENCE OF THE HUNGARIAN ACADEMY OF SCIENCES  
6720 Szeged, Somogyi u. 7.

## **Dear Friends and Colleagues,**

It is a great honour and a particular privilege for us to extend a most cordial welcome to the **Fifth Meeting** of the Egon and Ann Diczfalusy Foundation in Szeged. We are proud to present the Programme which is dedicated to Reproductive Health-care. This year the Conference has been incorporated as part of the prestigious **Albert Szent-Györgyi** Days of the University of Szeged.

The Foundation, established in 2007 by the world famous reproductive endocrinologist professor Egon Diczfalusy and dedicated also to his late wife Ann, aims at disseminating knowledge and supporting scientific work conducted in the field of Reproductive Health. Each year it awards a **Prize** to a young investigator and a **Medal** to a senior scientist for his/her life-time achievements.

During the Conference several important topics will be discussed by well known international experts, ranging from *oral progestins and venous thromboembolism, impact of obesity on Women's Health, long-acting contraceptive agents and recent advance in perinatology*.

For the first time in the history of the **Diczfalusy Award Lecture**, a series of hands-on training will be held in the framework of parallel sessions about *The risk of thromboembolism among obese patients, Application of Intrauterine device, Intrauterine System and Implants and Practical aspects of resuscitation and treatment of high risk neonates*.

We are confident that you will find your interest among the topics of the Conference and welcome you and wish all of you a most pleasant stay in Szeged, Hungary!

The Presidium of the Foundation

Prof. György Bártfai  
President

Prof. Giuseppe Benagiano  
Vice-President

Prof. Márta Katona  
Vice-President

Prof. Henry L. Gabelnick  
Vice-President

THE DICZFALUSY PRIZE

THE DICZFALUSY MEDAL

- 09.00 – 09.10      Welcome and Opening Remarks. History of the Diczfalusy Foundation.
- 09.10 – 09.15      Laudatio of **Biran Affandi**, the recipient of the 2011 Diczfalusy Lecture Award.  
*Laudator: David Archer*
- 09.15 – 09.35      Acceptance Speech: Revitalization of Postpartum Contraceptive Use in Indonesia  
*Speaker: Biran Affandi*
- 09.35 – 09.40      Laudatio of **Dunja Loncar**, the recipient of the 2011 Young scientist award.  
*Laudator: Signe Altmea*
- 09.40 – 09.55      Acceptance Speeches: **Dunja Loncar**
- 09:55 – 10:00      Laudatio of **Cristian-George Furau**, the recipient of the 2011 Young scientist award.  
*Laudator: Eszter Ducza*
- 10:00 – 10:15      Acceptance Speeches: **Cristian-George Furau**

## First Session

1

### Oral progestins and venous thromboembolism *Chair: Giuseppe Benaggiano, Gyula Telegdy*

- 10:20 – 10:40      Biomarker research to understand haemostatic effects of combined oral contraceptives: do new estrogens carry a promise? **20'**  
*Speaker: Kees Kluft*
- 10:40 – 11:00      Drospirenon and VTE **20'**  
*Speaker: Klaas Heinemann*

11:00 – 11:20	Development of a low dose estrogen/progestin Transdermal Contraceptive System <b>20'</b> <i>Speaker: David Archer</i>
11:20 – 11:50	<i>Discussion</i> <b>30'</b>
11:50 – 13:00	LUNCHEON 70'

## Second Session 2

### The impact of obesity on Women's Health Chair: David Archer, Tihomir Vejnovic

13:00 – 13:20	Failure of oral contraception in obese women: Role of altered pharmacokinetics of levonorgestrel <b>20'</b> <i>Speaker: Ganesh Cherala</i>
13:20 – 13:35	Practical aspects of obesity in contraception <b>15'</b> <i>Speaker: Gábor Gimes</i>
13:35 – 13:50	Obesity as a risk factor in Obstetric Care (from abortion to caesarian sections) <b>15'</b> <i>Speaker: Boldizsár Horváth</i>
13:50 – 14:05	<i>Discussion</i> <b>15'</b>

## Third Session 3

### Long-acting contraceptive agents Chair: Biran Affandi, György Thaler

14:05 – 14:25	Family planning guidelines and tools by WHO - Global Overview. Special emphasis on Contraceptive Implants <b>20'</b> <i>Speaker: Moazzam Ali</i>
14:25 – 14:45	Long Acting use of combined vaginal ring <b>20'</b> <i>Speaker: Angelo Cagnacci</i>

14:45 – 15:00      Intrauterine systems (IUS)  
and Intrauterine devices (IUD) **15'**  
*Speaker: Tamás Major*

15:00 – 15:15      *Discussion* **15'**

15:15 – 15:35      COFFEE BREAK **20'**

## Fourth Session

**4**

Meet the expert parallel sessions

### **1. Practical advice: The risk of thromboembolism among obese patients**

15:35 – 16:20      *Expert 1.: Gábor Gimes*  
*Expert 2.: Tamás Major*

### **2. Practical aspects: Application of Intrauterine device, Intrauterine System and Implants**

15:35 – 16:20      *Expert 1.: Moazzam Ali*  
*Expert 2.: György Bártfai*

## Fifth Session

**5**

Recent advance in perinatology

Chair: György Bártfai, Elena Bernad

16:20 – 16:40      Pre-term delivery, a European view **20'**  
*Speaker: Giuseppe Benaggiano and  
Gian Carlo DiRenzo*

16:40 – 17:00      Cerebral palsy: a critical overview **20'**  
*Speaker: Anna Beke*

17:00 – 17:20      Challenges in neonatal care  
(the very low birth weight infant) **20'**  
*Speaker: György Balla*

17:20 – 17:35 Discussion **15'**

17:35 – 17:40 Technical break **5'**

## Sixth Session

**6**

### Meet the expert parallel session

#### **3. Practical aspects of implant application**

17:40 – 18:25 *Expert 1.: László Kalmár*

*Expert 2.: Sándor Koloszár*

#### **4. Practical aspects of resuscitation and treatment of high risk neonates**

17:40 – 18:25 *Expert 1.: Márta Katona*

*Expert 2.: Judit Kiss*

18:25 – 18:40 Written test **15'**

18:40 – 19:00 Presentation of the best poster awards and closing remarks **20'**

**Dinner**
