## XV DICZFALUSY SYMPOSIUM ON REPRODUCTIVE HEALTH

26-28 October 2023  
Novi Sad, Serbia

Dear participants,

On behalf of the Organizing Committee and professor Tihomir Vejnović, it is our pleasure to inform you that the International Congress - Diczfalusy Award Lecture Symposium on Reproductive Health (DAL15) will be held on 26-28 October 2023. The venue of congress is the building of the Assembly of the Autonomous Province of Vojvodina in Novi Sad.

We invite you to participate in congress and contribute to the achievement of goals of Foundation Egon and Ann Diczfalusy, which are to improve reproductive health by sharing knowledge, skills, and experience.

Diczfalusy Award Lecture Symposium on Reproductive Health (DAL) is one of the most important activities of the Foundation "Egon and Ann Diczfalusy", founded in 2007. Founder of the Foundation is Professor Egon Diczfalusy, leading explorer in the field of fetal endocrinology, inventor of estetrol, creator of the fetoplacental unit theory and candidate for the Nobel Prize. His numerous associates continue his mission of improving reproductive health.

Management Board of the Foundation is composed of eminent scientific workers and medical experts from several countries of the world (Serbia, Romania, Hungary, Italy, Germany, Sweden, Czech Republic, Austria, USA, Russia, and others).

The registration fee for participants is 100 EUR and includes congress material, attendance at lectures, one workshop of your choice and refreshments during coffee breaks.

If participant wants to participate in more workshops, participation fee for each additional workshop is 50 EUR (equivalent in Serbian dinars the middle exchange rate of the NBS).

You can fill the registration form [HERE](#)

Registered participants can take an active part by sending an abstract to the address: [dal.symposium@gmail.com](mailto:dal.symposium@gmail.com)

The deadline for abstract submission is October 15, 2023. Abstract should be structured, up to 300 words. Template for abstract submission can be found on the official website of the Foundation.

The Congress is in the process of accreditation by the Health Council of Serbia.

You can find more information about the congress program and proposals for participation on the official website of the Foundation [HERE](#)
